

Uniform Policy

Background:

A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. Issues of equality, health and safety, and expense are also factors that contribute to the establishment of the Uniform Policy.

Purpose:

By having a compulsory uniform, the College aims to

- Promote a positive image of our school in the community
- Encourage a sense of pride and belonging amongst our students.
- Identify our students from students from other schools and from outsiders.

Guidelines:

All students at Kurunjang Secondary College are expected to wear the full, official college uniform every day. Correct uniform must be worn to and from school, at lunchtime and recess and on all school excursions.

All uniform is to be neat and clean, pants to be worn at waist level, no frayed edges, no faded uniforms, no midriffs and navels to be visible. No items other than those approved by the College and outlined below are permissible. If students wish to wear additional items of clothing to provide extra warmth, they are NOT to be visible.

In accordance with government guidelines, the composition of the College uniform is the responsibility of the College Council, as the representative of the College Community.

It is parents' responsibility to see that their child is provided with the college uniform (as specified below). Parents should contact the college about any difficulties in meeting the college uniform requirements, as the school and the family need to work together to ensure that all students are in full school uniform.

Excluding shoes and College hat, uniform items are only available from the College Uniform supplier, Buxwear. These are available from the College Uniform Shop. Financial assistance is available.

The complete range of approved uniform items at Kurunjang Secondary College is listed below.

Items not listed below may not be worn at the College at any time.
