RE: School returns as normal as of tomorrow

Dear families,

By this stage many of you may have already seen the latest advice from the Premier of Victoria that was published in this morning, Wednesday 17 February 2021- <https://www.premier.vic.gov.au/statement-premier-86>

In this statement the Premier has advised that the 5 day lockdown will finish at midnight tonight and that most of the restrictions will ease. As a result students will resume school tomorrow, Thursday 18 February 2021.

Consequently all staff and students will be expected back at school tomorrow morning as normal. I ask that all students bring all their essential items that they require for learning as of tomorrow.

Once again I would like to point out to families that there are several external support services that students and families can access at any time if they wish to.
