Dear Parents and Carers,

Re: College Uniform

As of Wednesday, 09/02/2022, we will be monitoring how our students at Kurunjang Secondary College are wearing the college uniform in line with the College Council's endorsement of a college uniform and dealing with non-compliance issues.

It is wonderful to see the college community embracing our uniform policy with such pride. The majority of our students are adhering to the expectation of wearing the school uniform in a neat and appropriate manner.

It is an expectation that students wear the college uniform in a manner that is respectful and appropriate for a college setting. All students wearing the college shirts must ensure that buttons are fastened, and dresses, tailored shorts, and long pants ,with logos ,are correctly hemmed and not frayed. These items are the official college uniform and are the only items permitted. We do not permit sweatshirts, or t-shirts.

The college sports uniform consists of a polo top, sports shorts with logo or track pants with logo. This uniform is to be brought to school on the days of PE classes and changed into at the beginning of the lesson and then changed back into the college uniform thereafter. It is not to be worn for the entire day.

Kurunjang Secondary College takes great pride in its students and entrusts that the college community also exhibits this pride and that our students present themselves in a neat and reasonable manner to the wider community.

If you have any questions relating to this and want assistance with determining the appropriate uniform, please do not hesitate to contact the college and speak to the relevant Year Level Co-coordinators and Assistant Principals of each House.

Yours sincerely

Assistant Principal – Student and College Operations.
